

## The Revolving Museum Events and Exhibitions February 9 – March 11, 2007

### Museum Madness

#### Lowell Winterfest

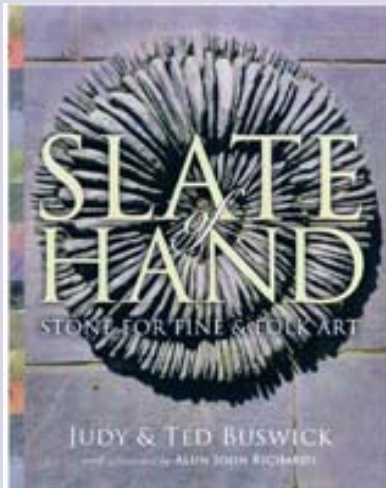

Friday, February 9<sup>th</sup>, 7-9pm

Saturday, February 10<sup>th</sup>, 12-6pm

At Tsongas Arena

Join the Museum staff in making art as part of Lowell's Winterfest celebration. Go to the concourse level of the Tsongas Arena and you will find us there! For all ages. FREE!

More info at [www.lowellwinterfest.org](http://www.lowellwinterfest.org)

### ***Slate of Hand: Stone for Fine Art & Folk Art*** Book Release Celebration

**Saturday, February 10th, 3-6pm, FREE**

Learn about slate art and meet Judy and Ted Buswick the authors of *Slate of Hand: Stone for Fine Art & Folk Art*, a recently released book documenting slate artists from around the world. The authors will sign copies of the book, show samples of slate art and discuss their extensive research. The book includes works handcrafted by quarrymen in Vermont, Maine, or North Wales, as well as the fine arts of celebrity sculptors Richard Long, Andy Goldsworthy, and Phillip King. Read more about *Slate of Hand: Stone for Fine Art & Folk Art* in the [Press Release](#).

The Revolving Museum will be closed from February 11<sup>th</sup> to March 2<sup>nd</sup> while we are changing exhibitions. We will reopen on Saturday March 3<sup>rd</sup> at 7pm when we will hold an opening reception for our new exhibition "*Electrifying: The Art of Light and Illumination*". Mark your calendars!

### **Electrifying: The Art of Light and Illumination**

Exhibition Opening Event

Saturday, March 3<sup>rd</sup>, 7-10pm, \$10 person; \$5 members

Delight in the latest art extravaganza by The Revolving Museum's art education students, and others. All the artworks will feature light as a central part of everyday life, showing how electricity has revolutionized all aspects of daily life.

Meet the Artists!  
**ARTBOTICS Program Reception**  
Tuesday, March 6<sup>th</sup>, 3-5pm, FREE

Learn more about this after-school program that fuses computer science and art. High school students are sought to join the next class session. Pick-up an application at the museum, meet the teachers, former students and see Artbotics projects that have completed. More at the website: [artbotics.org](http://artbotics.org).

**ARTventures: Lantern Art-Making Workshop**  
Sunday, March 11<sup>th</sup>, 11am-1 pm, \$20 per person; \$10 for members

Become part of Lowell's Creative Revolution! Join Museum staff to create a unique lantern or light bulb creation that will be displayed this summer in the ARTventures public art series.

**Broken Schematics**  
Sunday, March 11<sup>th</sup>, 3-8pm, \$5  
All ages event

Broken Schematics was conceived by vocalist/producer Josh Quicksilver, Vocalist MC Audio and DJ Mintron in early 2006, with new addition guitarist/producer ATROA. Broken Schematics mix sounds and textures of electronica/D&B with the grooves and melodies of post hardcore.
